

**Tuesday 30 June 2026**

Dear neighbour,

**An update on the closure of Broadmead Road**

As you are aware, Broadmead Road has been temporarily closed to enable some improvements to the existing railway level crossing, as well as the creation of new access points into our development site and road resurfacing works.

From this **Friday 3<sup>rd</sup> July**, we will be re-opening Broadmead Road temporarily in anticipation of a community event taking place on **Saturday 4<sup>th</sup> July**.

Following this event, from **Sunday 5<sup>th</sup> July until Friday 17<sup>th</sup> July**, we will then need to re-close the road to complete the improvement and resurfacing works.

During the closure, the same temporary vehicle and bus diversions in place along Green Lane will be in effect. A map of this route is available on our website and has been reattached for information.

For all the latest updates on our enabling and infrastructure works, please visit our website [www.universalukproject.co.uk](http://www.universalukproject.co.uk), where you can sign up to receive community updates. You can also email us at any time at [universalukproject@londoncommunications.co.uk](mailto:universalukproject@londoncommunications.co.uk).

Yours sincerely,
